G.O.Rt.No. 340

Dated:13.02.2014

Read the following:-

- 1) G.O.Rt.No.683, LET&F(IMS) Department, Dt.24-07-2013.
- 2) From the Dir, IMS, Hyd., Lr.Rc.No.5880/CDS/2013, Dt.07-01-2014.

ORDER:

In the G.O.1st read above, Government accorded permission to the Director of Insurance Medical Services, Hyderabad to set up Sewage Treatment Plants at ESI Hospitals in the State subject to not seeking any funds from the State Government.

2. The Director of Insurance Medical Services, AP, Hyderabad in his letter 2nd read above has stated that due to certain reasons the work was not taken up at ESI Hospital Visakhapatnam, Tirupathi and Sanathnagar. Since the nature of the work at ESI Diagnostic centres is same that of ESI Hospitals and there are possibilities of the accumulation of toxic wastes and flow of untreated liquid waste into the municipal water, therefore it is considered to setup sewerage treatment plant at 3 ESI Diagnostic Centres Nizamabad, Jeedimetla and Adoni which are functioning in the own premises, in place of ESI Hospital, Visakhapatnam, Tirupathi and Sanathnagar.

3. He has also stated that there will be no burden on State exchequer and this project is in the process of implementation in Medical and Health Department, e.g. Gandhi hospital and Osmania Medical College and approved by the Pollution Control Board. The Director, Insurance Medical Services therefore requested to issue permission to setup Sewage Treatment Plant at ESI Diagnostic Centres Nizamabad, Jeedimetla and Adoni.

4. Government after examination of the matter hereby accord permission to the Director of Insurance Medical Services, Hyderabad to set up Sewage Treatment Plants at ESI Diagnostic Centres Nizamabad, Jeedimetla and Adoni instead of ESI Hospitals Visakhapatnam, Tirupathi and Sanathnagar at Hyderabad in the state.

5. The Director of Insurance Medical Services, AP, Hyderabad shall take necessary action in the matter.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
